# *BEATRIS*

Did you know that the name Beatris comes from Latin for "One who makes happy?" My mother told me that when I turn 18 I've got to set a goal to make everyone I meet happy in some way. I make it a point that when I meet a man I want to meet a man either young or old, I love the different feelings of people's hands on my little pussy. Would you like to be next?

**CAN YOU FILL ME UP, BIG BOY?**

# MOUTHS AND PUSSIES AND COCKS, OH MY!

## THE FLASHER

I can't say that I've ever written anything like this, but this experience I had last month was unlike anything I could've possibly imagined. And it all started with a trip through the park.

One of my favorite pastimes is wandering the park across the street from my house. It's old growth, with hedge rows and trees that make for a maze that a casual visitor could get lost in. One afternoon, I stepped out after a particularly rough day at work. As I started walking, a man in his early 20s was ahead of me, taking his time and blocking the path. I get closer and he turns around with a huge grin on his face... and his enormous dick and balls hanging on the outside of his shorts.

I stopped and gaped, not really sure what to think. I know my first reaction was that he was out of line. But here's the thing: he looked really good! He laughed at my obvious discomfort and turned to run off, probably looking for the next target. I could've done a couple of different things there, but what I ended up choosing surprised even me.

I watched him move through the

park and took a short cut through some hedges and decided that I needed to be his next target. I managed to step back in front of him as he rounded a corner, a bit surprised to see me, though his surprise quickly turned to a tease.

"Want some more, love?" he asked, laughing.

Without a word, I reached out and grabbed his loose shirt and pulled him behind the hedges, where I quickly dropped to my knees and started devouring his huge, young cock. He stopped laughing and started moaning, grabbing my thick, long brown hair to hold me in place as he started to fuck my luscious lips. I felt him throbbing in my mouth as I reached up to tug at his heavy balls.

I tilted my head up, my brown eyes gazing up to see him pull off his shirt. He caught my gaze and smirked down, taking the opportunity to pull me off his dick. We kissed as he turned me and pressed my back against a tree, one of his hands already down my pants, fingers playing with my hungry cunt. Despite his age, he knew what he was doing and he quickly had my pants down far enough for him to slide his swollen cock right in.

The rush was unbelievable and amazing. I couldn't tell you how long

it had been, and my body was shaking as he slammed deep into me, kissing at my neck while his hands went up my shirt. I don't even remember him undoing my bra, but he must have because he found my hard nipples and was playing with them just as hard as he was pounding me.

It was intense, the speed, the passion, the risk. With every moan, he felt like he was trying to find his way in deeper, further, all while trying to stay quiet and avoid anyone's notice. That didn't quite work with him shaking the large tree, and after several minutes, he pulled me back and told me to lay down.

Instead of laying on top of me, though, he lifted my legs high in the air and stood over me. He gave me that smirk again, showing off his tools that got my attention one more time. "Fuck me!" I moaned to him and he tilted his head, smile growing as he lowered down and started to pile drive me hard into the soft ground.

Here it was even harder to stay quiet, and all I could do was look up into his young, muscular frame. He was focused, and knew what I needed, almost better than I did. In return, I pulled up my shirt, giving him a view of my released breasts and started to

play with my nipples. He responded by going at me a little harder.

I knew he was getting close only when he started to slow down, but even then, I wasn't ready for the enormous rush that flooded out of him. He threw his head back with a heavy groan, sending wave upon wave of cum deep inside me as I felt my own rush, blending both of our climaxes and finally forcing him to collapse on top of me.

Once we recovered, we went our separate ways. I haven't seen him since then, but now I walk the park with a renewed hope that I'll see him again. Because the stress relief he provided was nothing like anything I'd ever experienced before.

## BACK SEAT GROPE

I don't know if I made the correct career move six months ago. I left my secure mailman job to test new drivers for the New Jersey DMV. Little did I know it would turn out to be a perfect job for me. Andrea was back for her third try. She almost passed on her second try, but had a real hard time parallel parking so I couldn't pass her. Besides, she's always a hoot behind the

wheel.

Today, we're on the streets of Harrisburg, when she suddenly slams on the brakes almost sending me flying right through the windshield and into the back of the police car she'd been tailgating for the last two blocks. I pushed away from the dashboard and looked over at the 27-year-old. "Andrea, you have to be at least one car length between you and the vehicle in front!" I politely scolded. "We went over that when you rear-ended the minivan in your last test."

Andrea was a twice-divorced, hot blonde in a tight white top and short black skirt who never had to learn how to drive. She once told me that her parents took her everywhere, and then her husbands would do all the driving. There was no need for her to learn. But now, on her own for the first time, it was a necessity. She blushed under her tan, gripping the steering wheel like it was the neck of a mean girl. She turned her head and looked at me, smiling sorrowfully. "I just can't seem to get the hang of it, Jamie."

We get off the surface streets and onto Interstate 81. Barely a mile into it, a truck horn exploded behind us. Andrea screamed, and I waved the two-ton around us. Andrea pulled

her well-manicured fingers off of the wheel and smacked her hands down onto her bare fleshy thighs, riding her short skirt up her legs even more.

"Oh jeez," she moaned suddenly, looking down. "I can't believe that I just wet myself!"

The jaded and jittery veterans of the DMV driver instructor academy teach us to be prepared for anything when testing wanna-be motorists, but this had to be a first. I glanced in between Andrea's long smooth legs. Her white cotton panties were now peeking out and there was a definite wet spot showing on them. Not knowing what to say, I blurted out "Please, just pull off at the next exit and go into that truck stop, " I said pointing to the tall signs off the side of the road. "Drive to the back parking lot and we'll figure things out. Okay?" I said.

Andrea grinned at me and floored the vehicle towards the exit. She barely made the long right turn to the truck stop's parking lot. She skidded to a stop and turned off the car and looked at me, the seat belt splitting her large twin boobs down the middle. She glanced over at me and said, "I have a confession to make, Jamie," Andrea whispered. "I think I'm wet for another reason besides fright."

She shifted the gearshift into Park, and she grabbed my hand and plunged it between her legs, squealing as my fingertips squished up against her soft, springy dampness.

"You do this to me, Jamie!" she gushed. "I have a total crush on you."

I stared at her while feeling her warm juice wetness. My dipstick tingling with unreasonable excitement in my pants. I was much, much older than her. I had professional standards to maintain. Our job was to test her on the road, not the ropes. But none of that mattered anymore, not with her lush boobies bobbing up and down on her heaving chest, her bare, sun bronze limbs in full view, and her moist pussy pulsing against my fingers, my rubbing fingers.

"Oh, yes," Jessica moaned, her eyelashes fluttering, "That feels so good!"

Where we had stopped, there was no one around, no cops, nor DMV officials – no wife. I rubbed faster, excitedly petting her cotton-clad pussy. She grabbed my head and kissed me on the mouth. Her lips were warm and wet and soft as her pussy, her breath bubble gum fresh in my mouth. She smeared my face with strawberry lipstick, clawing at my gray hair, undulating her pussy against my experienced fingers. My cock was a vibrating rod of unabashed sensation in my pants.

Andrea let go of my head, shrugged off her seat belt and peeled off her top. Her conical boobs bounced out into the open, tanned as the rest of her, tipped by puffy, succulent nipples. She gripped her tits and squeezed them, plucking at her nipples. She thrust her pussy harder against my fingers, urgently trying to get herself off.

What kind of instructor would I be if I gave short shrift to such a rich learning opportunity such as this? The one kind of instructor, that's what kind. And I wanted to keep the little vixen coming back for more. So we scrambled over onto the back seat, so I could really demonstrate the width and depth of my knowledge. She flopped down on her back and I sprawled on top of her, wrapping up her boobs and plunging her nipples into my mouth.

She squirmed and moaned with delight as I groped her breasts, and sucked on her rigid little buds. She wiggled her panties down and then grabbed onto my cock. It was my turn to squeal, jolted by Andrea's hot hands and clutching fingers on my ultra sensitive stick shifter.

She pulled my head, and my ear, closer to her puckered mouth, whispering that she wanted me to fuck her, now. She tighten her grip around my rod and guided it into her steam pot. Like all hormonally injected divorcees,

she was impetuous and quick off the mark. She pulled my dick through her pussy lips and plunged my shaft into her tunnel before I could even react to her pleadings. She was pure velvet wetness. We moaned in each other's faces. Gripping her boobs and tonguing her slippery, kitten pink tongue, I felt my stick shifting back and forth in her pussy.

She wrapped her legs around my waist and dug her nails into my back as I hit third gear, then fourth. I was bathed in sweat and her sweetness, pounding her tight pussy. She screamed, quivered wildly with girly orgasm beneath me, and gushed against my thrusting loins. I rocked and cocked her in fifth gear, worried only slightly that the pussy alarm I set off would attract passersby.

But I worried no more, as my flapping balls suddenly tightened and tingled, and my piston pounded hard into Andrea's pussy. I moaned I was cumming in her erotically scrunched up face. I couldn't get all the words out, just my jolting seminal blasts all over her flat tummy and watched it pool in her navel.

We tried to clean up as best we could and got back on the freeway. This time, I was driving. Andrea keeps failing her road tests with the DMV, but never with me. I give her an A+.

Having a veiled patio makes for an incredibly romantic location for a quick afternoon tryst. The only thing softer than the windblown gossamer is the touch of a lover. Lips to lips, while passionately grinding the day away it's easy to get lost time.
